

SensorTemperatura.h

```
graph BT; maincpp[main.cpp] --> sensortemperatura[SensorTemperatura.h];
```

The diagram illustrates a dependency between two C++ files. At the bottom, a white rectangular box with a black border contains the text 'main.cpp'. A blue arrow points vertically upwards from the top center of this box to the bottom center of a gray rectangular box with a black border located above it. The gray box contains the text 'SensorTemperatura.h'. This visualizes that 'main.cpp' includes or depends on 'SensorTemperatura.h'.

main.cpp
